

Syncopation

Syncopation means to stress or accent weak beats. The most common way this is done is by placing a long note on a weak beat, creating a rhythmic pattern that is SHORT - LONG - SHORT.

Clap and count this rhythm.

short long short

New Orleans Carnival*

Con spirito

Section A

Section B

*The New Orleans carnival (called Mardi Gras) is a festive occasion celebrated the day before Lent with parades and merriment. Each year a King and Queen of Mardi Gras are chosen.

First system, measures 1-3. Treble clef has a key signature of one flat (Bb) and a 5/4 time signature. The melody consists of eighth and quarter notes. The bass clef has a key signature of one flat (Bb) and contains a half note, a quarter rest, and a half note. Fingering numbers 1 and 5 are shown under the bass notes.

Second system, measures 4-6. Treble clef continues the melody. The bass clef has a key signature of one flat (Bb) and contains a half note, a quarter rest, and a half note. Fingering numbers 2, 1, 2, 1, 2, 4 are shown under the bass notes. A *cresc.* marking is present above the first measure, and a *f* marking is present above the last measure.

Section A
