

## Sonatina Form

A **sonatina** usually has three movements (parts). The form of the **first** movement is often: **A B A B Coda**. Notice how this form is used in this sonatina.

In Italian, “ina” means little. The word *sonatina* is used in the place of the word *sonata*, as a little sonata. The word *sonata* was first used to mean music “to be played” (music for instruments). Other music was “to be sung” (music for voices).
