

Measuring Intervals

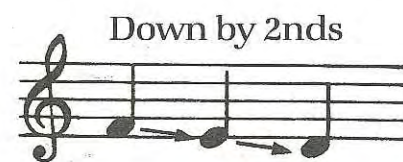

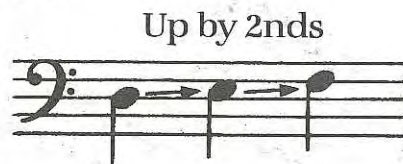

The distance between two notes is called an **interval**.

2nd

On the keys a **2nd** is like a **step**:
from one key to the next key.

On the staff a **2nd** is like a **step**:
from line to space or space to line.

★ What intervals are used in this piece?

Stealing 2nd Base

Moderately

1

f When the pitch - er throws the ball, Take off at your fast - est pace.
