

C:3

Little Whale Explores the Calm Sea

Caroline Tyler
(born 1982)

Calmly; as if underwater ♩ = c.160

p *mf* *f* *pp*

Ped. keep the pedal held down until bar 21

pedal off *Ped.*

British pianist and composer Caroline Tyler studied at the Guildhall School of Music & Drama in London and has worked internationally as a concert pianist, teacher, examiner and adjudicator.

The composer says: 'In this piece, enjoy exploring a good range of the keyboard and the echoing, underwater effect of the pedal. The pedal also helpfully holds notes you've played, leaving you free to prepare the next hand position.'
