

In **TRAPEZE ARTIST**, short phrases are contrasted with longer phrases. There is an exciting staccato chord in the seventh measure. The scale passage at the end of the piece suggests the graceful exit of the circus performer. Play the melody throughout with singing tone.

1. Trapeze Artist

Rhythmically

mf Sail - ing high, 'neath the spang - led sky, Of the

cir - cus tent, (There he goes now!) *mf* He

caught the bar, it swings out far, What a

won - der - ful thing for an - y one to do!
