

Technique Builder: Crossing 1 Under 2

It is important to develop the ability to cross 1 under 2 and 1 under 3 with a relaxed wrist, and with no "twisting" motion of the hand. The next four pages of this book will help you improve this technique. Play the exercises slowly at first, then faster.

RH: *mf*

LH: *mf*

Cross 1 under 2

LIGHT AND BLUE

Moderate blues tempo

Willard A. Palmer

The eighth notes may be played a bit unevenly:

The score consists of five systems of music, each with a treble and bass staff. The first system features chords F, C, and G7. The second system includes a *mf* dynamic marking and chords C, F, and C. The third system has an *8va* marking and chords F and C. The fourth system also has an *8va* marking and chords C and G7. The fifth system includes a repeat sign and two endings, with chords F, C, and G7. The final chord is a G7 chord.

TEACHER'S NOTE:

1. The LH may be played *staccato*, except where slurred.
2. The repeat may be played *8va*, with notes marked *8va* played as written.
3. The final chord may be played with *tremolo*:
