THE PEDAL

No doubt, your teacher has told you NOT to use the pedal. This has been done for an excellent reason, which you will appreciate when you have advanced a little further.

But perhaps as a reward for obedience in this matter, your teacher may, upon request, allow you to use the pedal just once in order to make THE CHIMES sound like real church chimes.

If permission is given, hold down the pedal from beginning to end. The result will be a blur which will be very unpleasant in most pieces—and that, by the way is one of the reasons your teacher does not want you to use the pedal yet. But in this particular tune, it will give a clangorous muddle, typical of Church Chimes, filling the air with overtones.
