LENTO—Com muito sentimento

Musical score for "Romeu e Julieta" by Nino Rota. The score is written for a single melodic line with guitar accompaniment. It is divided into three sections: *Região Média*, *Região Grave*, and *Belada*.

Região Média: The first section starts with a treble clef and a key signature of one flat (Bb). The melody is marked *mf* and includes fingerings (1-5) and slurs. Chords are indicated by letters in boxes: Em, F, and Am. The section ends with a double bar line and a repeat sign.

Região Grave: The second section continues the melody with a key signature change to two flats (Bb and Eb). It includes fingerings and slurs. Chords are indicated by letters in boxes: Em, F, and Am. The section ends with a double bar line and a repeat sign.

Belada: The third section is marked *f* and includes fingerings and slurs. Chords are indicated by letters in boxes: Em, Am, and C. The section ends with a double bar line and a repeat sign.

The score includes various musical notations such as notes, rests, slurs, and fingerings, as well as chord diagrams for guitar.

DURAÇÃO DOS GRÁFICOS

Se você tiver alguma dúvida na duração dos valores dos Gráficos, recorra à página 14, eles têm a mesma duração das notas da Teoria Musical.

Esses Gráficos são frequentemente usados nas partituras de Canto Coral e Bateria. Não é nenhuma invenção nova, eles sempre foram usados e agora são empregados neste livro, justamente para representarem a leitura dos Ritmos Populares.

Eles indicam a divisão rítmica para as "Batidas", principalmente para aqueles que "ainda" não conhecem a Clave de FÁ. A maior utilidade desses gráficos é que eles ensinam e demonstram como "movimentar as Cifras", que é a finalidade desse livro: CIFRAS E RITMOS POPULARES!
