

When the sign 8----- is placed above notes, play the notes an octave *higher* than they are written. (An octave higher is 8 keys higher.)

CD Track 64- Practise
CD Track 65- Performance

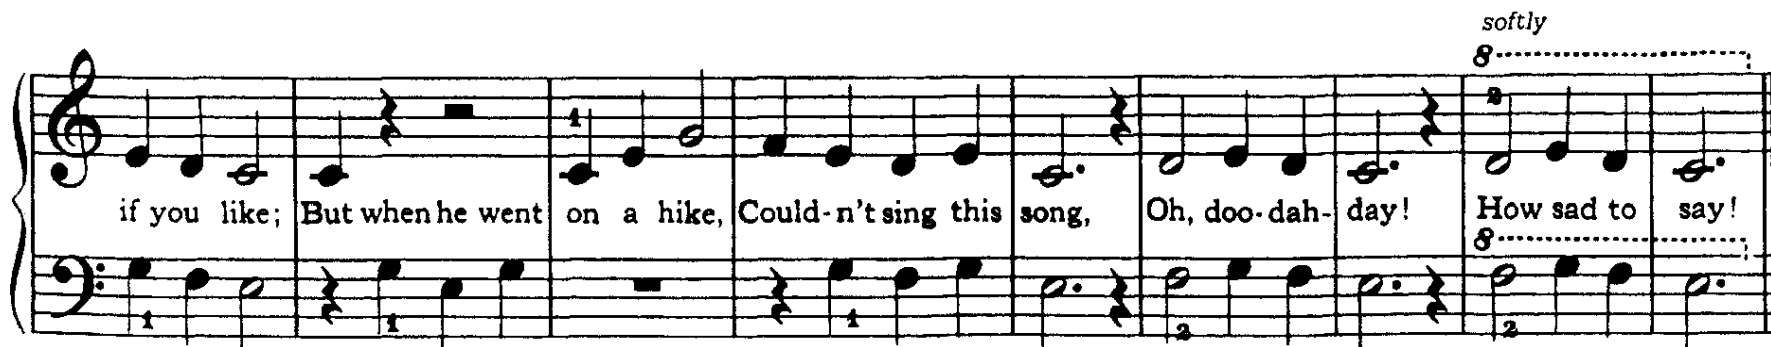

38. The Crocodile

The cro - co - dile was ten feet long; Oh, doo - dah - day! And

yet he could-n't sing this song! Oh, doo - dah - day! He could ride a mo - tor bike, Climb a tree,

if you like; But when he went on a hike, Could-n't sing this song, Oh, doo - dah - day! How sad to say!
