

Sharp Sign

The **sharp sign** before a note means to play the next key to the **right**, which may be black or white.

The Funny Snowman

Moderately

- ★ Play the following sharp notes. Use the L.H. for the bass clef notes, the R.H. for the treble clef notes.

f 1. See the fun - ny snow-man there, he's jol - ly, fat, and round.
p 2. If the weath - er stays real cold, he'll stay the same ol' size.

He looks like he's laugh-ing, but he does - n't make a sound.
 But when warm sun shines, he'll dis - ap - pear be - fore your eyes!
